

Project Update: East Carrollton Group B and C

NOTICE OF SERVICE DISRUPTION

**** WATER ****

You may experience low or no water pressure in this area.

During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works' contractor **Impetus Infrastructure, LLC (RNGD)**, in conjunction with the Sewerage and Water Board of New Orleans, will be performing a water valve closure to complete a waterline tie-in.

WHEN: *Wednesday, November 20, 2024 08:30 am-05:30 pm*

WHERE: *Adams St (St. Charles Ave – Zimpel St)*

When water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored within one hour of the listed time, residents will be contacted by the Office of Strategic Engagement and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary disruption of services is part of the **\$28.7M East Carrollton Group B and C** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will repair damaged underground water, sewer and drainage lines, repave the roadway, replace damaged sidewalks and driveway aprons, and install ADA compliant curb ramps at intersections. The project is scheduled to be completed in Summer of 2025.
