The City of New Orleans Department of Public Works' contractor Murphy Pipeline Contractors, Inc., in conjunction with the Sewerage and Water Board of New Orleans, will be performing a waterline tie-in.

**WHEN:** Friday, July 26, 2024 @ 8:30 a.m. to 4:30 p.m.

**WHERE:** Kennon Ave. (Owens Blvd. to Mandolin St.)

**When water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.**

If water is not restored within one hour after end time on Friday, July 26th residents will be contacted by Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

**About the Project**

This temporary disruption of services is part of the **\$17.5M Filmore South Group D** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve drainage, repair streets, curbs and sidewalks and install new Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in Spring 2025.
