

Project Update: Filmore South Group D
February 15, 2024
NOTICE OF WEEKEND WORK

The City of New Orleans construction contractor, Murphy Pipeline Contractors, LLC., will be performing sewer work in an effort to remain on schedule.

WHEN: *Saturday, February 17, 2024, 7 a.m. - 5 p.m.*

WHERE: *Kennon Ave. (Owens Blvd. to Mandolin St.)*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

About the Project

This weekend work is part of the **\$17.5M Filmore South Group D** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve drainage, repair streets, curbs and sidewalks and install new Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in Spring 2025.
