

Project Update: **Gentilly Terrace Group E**

## NOTICE OF WEEKEND WORK

The City of New Orleans construction contractor, Barriere Construction, LLC, will be performing paving work this weekend in an effort to remain on schedule. They will be putting down the last course of asphalt on your block. Once asphalt is put down, you will be able to access your block after a few hours.

**WHEN:** *Saturday, August 17th, from 7am – 5:30 pm*

**WHERE:** *Painters St (Gentilly Blvd – Selma St)*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

### About the Project

This weekend work is part of the approximately **\$10.2M Gentilly Terrace Group E** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve drainage, repair streets, curbs and sidewalks and install new Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in summer 2024.
