

Project Update: Gentilly Woods Group F

NOTICE OF CONSTRUCTION

The City of New Orleans Department of Public Works contractor, Wallace C. Drennan, Inc., in conjunction with Sewerage and Water Board of New Orleans will begin paving operations that will temporarily limit roadway access. Following paving operations, crews will begin removal and replacement of sidewalks and driveways in your area that will temporarily limit driveway access.

BEGIN DATE: Friday, September 29th, 2023 at 7:00AM

END DATE: Friday, October 20th, 2023 at 5:30PM

In general, crews will work between 7 a.m. – 5 p.m. Monday through Friday.

WHERE: 4900-5100 blocks of Piety Dr

What residents need to do differently?

As this work is being completed, sections of the roadway will be closed to vehicle traffic due to asphalt paving. Driveway access will be limited while roadway and driveway aprons are removed.

Please move all vehicles off the street before Friday, September 29th at 7:00AM to allow for asphalt paving. **We ask that residents please adhere to no parking signage on the streets. Vehicles parked in these zones will be ticketed and towed.**

Driveway access will be limited starting Tuesday, October 2nd at 7:00AM as crews begin removal and replacement of driveway aprons. Driveway removal and replacement is expected to take approximately 2 weeks.

About the Project

This temporary disruption of services is part of the **\$48.1M Gentilly Woods Group F** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve drainage, repair streets, curbs and sidewalks and install new Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in Spring of 2024.
