

Project Update: **Iberville, Tulane-Gravier, LGD, CBD Group A**

NOTICE OF SERVICE DISRUPTION

**** WATER ****

You may experience low or no water pressure in this area.

During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works' contractor Hard Rock Construction, LLC., in conjunction with the Sewerage and Water Board of New Orleans, will be performing a waterline tie-in. This waterline tie-in, originally scheduled for Wednesday, November 13th, had to be rescheduled due to weather.

WHEN: Wednesday, November 20th, 2024 from 10AM – 5PM

WHERE: S Broad St (North bound) (Gravier St – Canal St)

When water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored within one hour after end time on November 20th, 2024, residents will be contacted by the office of Strategic Engagement and Special Projects and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary disruption of services is part of the **\$21.8M Iberville, Tulane-Gravier, LGD, CBD Group A** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve roadways and subsurface utilities. The project is scheduled to be completed in the Fall 2024.
