

Project Update: DPW672 Isaac Wave Drainage Project
February 26, 2024

NOTICE OF SERVICE DISRUPTION

**** WATER ****

You may experience low or no water pressure in this area.

During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works contractor Murphy Pipeline Construction, LLC., in conjunction with the Sewerage and Water Board of New Orleans, will be performing a water tie-in closure.

WHEN: Wednesday February 28, 2024, from 10:30a.m. – 6:30p.m.

WHERE: St. Andrew St. (Camp St. to St. Charles Ave.)
Coliseum St. (St. Andrew St. to Terpsichore St.)
Polymnia St. (Camp St. to St. Charles Ave.)
Urania St. (Prytania St. to Coliseum St.)

When water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored by one hour after closure ends on February 28, 2024, residents will be contacted by RoadworkNOLA and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary disruption of services is part of the \$10.5M DPW672 Drainage Project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve roadways and subsurface utilities. The project is scheduled to be completed in the Spring 2024.
