

Project Update: DPW672 Isaac Wave Drainage Project  
May 2, 2024

## NOTICE OF WEEKEND WORK

The City of New Orleans construction contractor, Murphy Pipeline Construction, LLC., will be performing excavation and roadway restoration work this weekend in an effort to remain on schedule.

**WHEN:** Saturday May 4, 2024, from 8:00a.m. to 5:00p.m.

**WHERE:** LaSalle St. (Poydras St. to Perdido St.)

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

### About the Project

This weekend work is part of the \$10.5M DPW672 Drainage Project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve subsurface utilities and roadway restoration. The project is scheduled to be completed in Spring 2024.
