

CITY OF NEW ORLEANS

Joint DPW-SWB Capital Improvement Program
Lakeview North Group A Incidental Road Repairs

Agenda

- **Introductions**

Ross Hunter, Office of Neighborhood Engagement

- **Lakeview North Group A Paving Incidentals Project**

Kristi Sanford, Project Manager

- **What to expect during construction**

Nakeila Polk, Community Outreach Specialist

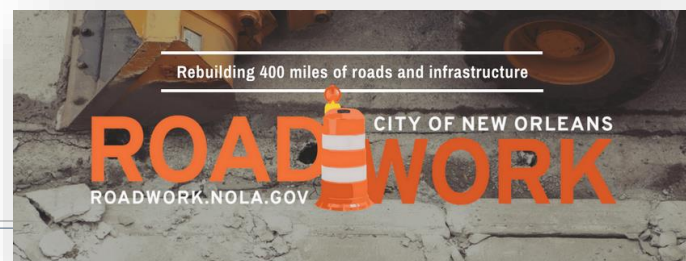

- **Questions**

Program Highlights

- **More than \$2.4B worth of DPW / SWB work in the next 8 years**
 - Most comprehensive infrastructure program our region has seen in a generation.
 - More than **200** individual projects - every neighborhood will feel a positive impact.
 - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
 - Aggressive project schedules coordinated to minimize construction-related impacts.
 - On average, one construction bid opening per week beginning in 2017 thru 2020.
 - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged businesses.

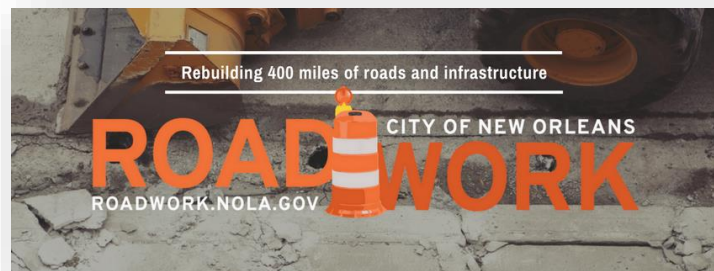

Program Highlights

- Will address long overdue repairs and make infrastructure improvements to roads, drainage, water, and sewer systems
 - Will take a comprehensive and programmatic approach to the work.
 - Will leverage and link multiple funding sources with the results from the *Citywide Pavement Assessment* to improve drainage system capacity and resilience using green infrastructure.
 - Will meet all sewer system consent decree milestones.

Project Limits

Lakeview North Group A

- ✓ Design completed by Richard C. Lambert Consultants
- ✓ Construction contractor is Hard Rock Construction
- ✓ Approximately **\$2.8M** project
- ✓ Part of the **\$2.4B** Capital Improvement Program
- ✓ Construction will begin at the beginning of May 2017 and last through winter 2018.

Existing Conditions

Existing condition of the 6800 block of Catina St. in Nov. 2015.

Lakeview North Group A

Scope of work includes:

- ✓ Patching with asphalt and concrete
- ✓ Repairing damaged curbs, sidewalks and driveway aprons
- ✓ Installing American with Disabilities Act-compliant curb ramps at intersections

Patching and Driveway Aprons

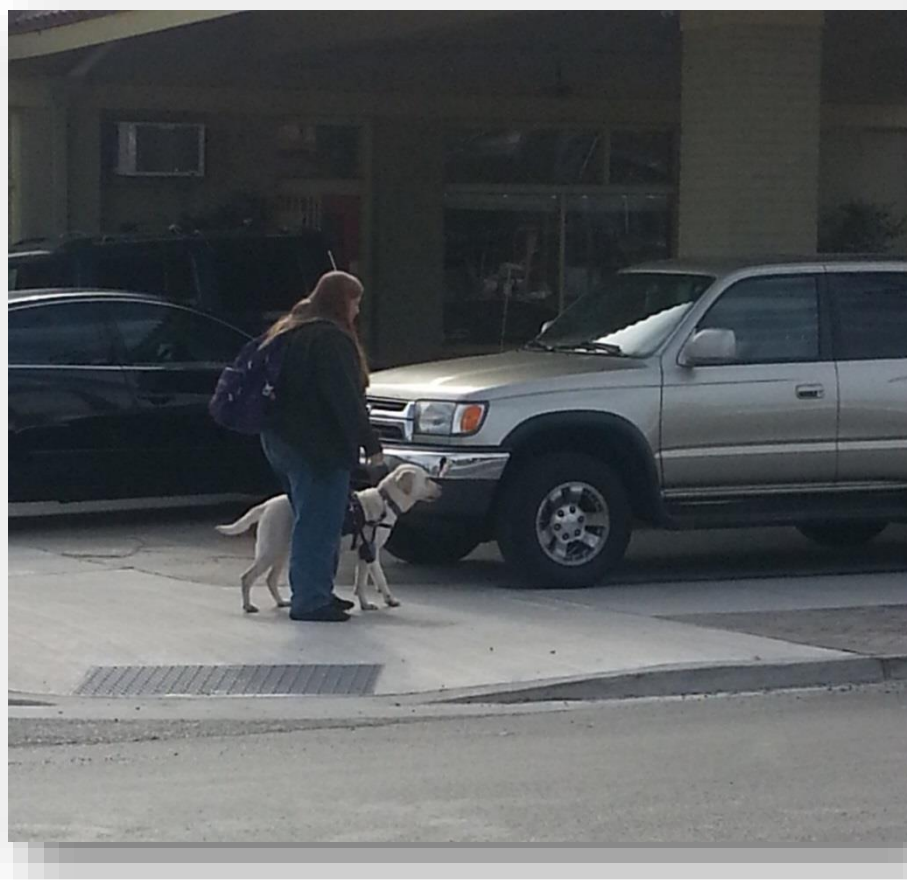

- ✓ Roadway will be patched with asphalt and concrete
- ✓ Repairs will be made to damaged curbs, sidewalks and driveway aprons

Americans with Disabilities Act- Compliant Curb Ramps

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Project Timeline *

<u>Milestone</u>	<u>Date</u>
Construction Start Date	May 2017
Construction Completed	Winter 2018

* Please note that all schedules are subject to change and weather delays.

Construction Phases and Details

Phasing/Sequencing

- Work will take place in the eastern portion of the project (bounded by Robert E. Lee, Orleans, Harrison, and Canal) during the first four months
- Work will take place in the western portion of the project (bounded by Robert E Lee, Canal, Harrison, and West End) during the last four months

Traffic

- Only one lane will be closed at a time
- In the event of full block closures, 48-hour notice will be given to residents
- There will not be a full closure of successive blocks

Staging

Construction equipment will not be staged in areas that prohibit residential access and parking

Lakeview North Group A

Existing condition of the 200 block of Fremont St. in Nov. 2015.

* Future Conditions

Marais St. from Delery St. to the Parish Boundary was re-paved in the summer of 2012.

What to Expect During Construction

Temporary construction impacts

- Additional construction equipment
- Limited parking availability
- Sounds
- Dust

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7:00 a.m. to 5:30 p.m.
Permission for occasional weekend work may be granted, if required.
