

Project Update: Lakeview North Group E
October 3, 2023

NOTICE OF HOLIDAY WORK

The City of New Orleans construction contractor, Roubion Roads and Streets, LLC, will be performing roadway prep/restoration work on Monday's City Holiday to remain on schedule.

WHEN: *Monday, October 9, 2023 from 7:00 a.m. – 5:30 p.m.*

WHERE: *7000 block of General Haig Street*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

About the Project

This holiday work is part of the **\$7.8 Lakeview North Group E** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace/repair damaged underground water, sewer, and/or drainage lines, repave the asphalt roadway from curb-to-curb, patch the roadway with asphalt or concrete; repair damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersection. The project is scheduled to be completed in the Winter of 2023.
