July 21, 2023

NOTICE OF WEEKEND WORK

The City of New Orleans construction contractor, Roubion Roads and Streets, LLC, will perform backfilling and site clean-up this weekend to remain on schedule.

WHEN: *Saturday, July 22, 2023 from 7:00 a.m. – 5:30 p.m.*

WHERE: General Haig St., between Mouton Street and Allen Toussaint Blvd.

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

About the Project

This weekend work is part of **\$7.8 Lakeview North Group E** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace/repair damaged underground water, sewer, and/or drainage lines, repave the asphalt roadway from curb-to-curb, patch the roadway with asphalt or concrete; repair damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in the Summer of 2023.
