About the Project

This weekend work is part of **\$7.8 Lakeview North Group E** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will repave the asphalt roadway from curb-to-curb, patch the roadway with asphalt or concrete; repair damaged sidewalks and driveway aprons, install Americans with Disabilities Act-compliant curb ramps at intersection, and replace / repair damaged underground water, sewer, and/or drainage lines. The project is scheduled to be completed in the Summer of 2023.
