

RoadworkNOLA
1300 Perdido St., Suite 2W87
New Orleans, LA 70112

Construction on the **Oak Park Drainage Upgrades** project is scheduled to begin in late February 2023 and will last approximately **8** months. In general, the contractor will work from 7 a.m. to 6:30 p.m. Monday – Friday; however, there may be delays due to weather or other circumstances that cause the contractor to work later and / or on the weekends.

Residents should exercise caution when driving, bicycling or walking near active construction sites.

The City of New Orleans, Department of Public Works, in conjunction with the Sewerage and Water Board of New Orleans, will soon begin construction on the Oak Park Drainage Upgrades Project.

This drainage upgrade project is designed to increase the capacity of subsurface drainage between local streets by using green infrastructure options, such as:

- Retention/detention basins
- Street basins
- Rain gardens
- Street side bioswales

Learn more about the project at our upcoming community open house.

Where: John F. Kennedy High School at Lake Area
6026 Paris Ave
New Orleans, LA 70122

When: Tues., January 24, 2023 at 6 p.m.
