

Project Update: Plum Orchard Group C
August 15, 2023

NOTICE OF WEEKEND WORK

The City of New Orleans construction contractor, Roubion Roads and Streets, LLC, will be performing pavement preparation, water installation, and drainage work this weekend to remain on schedule.

WHEN: *Saturday, August 19, 2023, from 7:00 a.m. – 5:30 p.m.*

WHERE: *4600-4900 Eastview Drive*

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

About the Project

This weekend work is part of the **\$4.4M Plum Orchard Group C** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace damaged underground water, sewer, and drainage lines, repave the roadway, replace damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in the Spring of 2024.
