About the Project

This holiday work is part of the **\$7M Plum Orchard/West Lake Forest Group B** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will replace/repair damaged underground water, sewer and/or drainage lines, replace the asphalt roadway from curb-to-curb, replace damaged portions of concrete with new concrete, patch the roadway with asphalt, repair damaged sidewalks and driveway aprons, and install Americans with Disabilities Act (ADA)-compliant curb ramps at intersections. The project is scheduled to be completed in the Fall of 2023.
