

Project Update: St. Anthony Group A
April 18th, 2024

NOTICE OF SERVICE DISRUPTION
**** WATER ****

You may experience low or no water pressure in this area.
During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works' contractor Impetus Infrastructure, LLC., in conjunction with the Sewerage and Water Board of New Orleans, will be performing a water connection closure on Rosary Drive and St. Anthony Avenue.

WHEN: *Tuesday, April 23, 2024, 8:00 a.m. – 4:00 p.m.*

WHERE: 6000 – 6100 St. Anthony Avenue (between Allen Toussiant & Rosary)
1900 – 1950 Rosary Drive (between Wildair Drive & St. Anthony Avenue)

When water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored within one hour on April 23rd residents will be contacted by RoadworkNOLA and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary disruption of services is part of the \$34 M St. Anthony Group A infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans. The project is focused on repaving the asphalt roadway from curb-to-curb, replacing damaged portions of concrete with new concrete, patching the roadway with asphalt, repairing damaged sidewalks and driveway aprons, installing ADA compliant curb ramps at intersections, and replacing/repairing damaged underground water, sewer and/or drainage lines.

Once complete, residents will experience an overall improved quality of life. The project is scheduled to be completed in late Summer of 2025.
