

Project Update: St. Anthony Group A
May 29th, 2024

NOTICE OF SERVICE DISRUPTION
**** WATER ****

You may experience low or no water pressure in this area.
During this time, please find an alternative water supply.

The City of New Orleans Department of Public Works' contractor Impetus Infrastructure, LLC., in conjunction with the Sewerage and Water Board of New Orleans, will be installing pipe replacements on Wilton & Prentiss resulting in disruption water service to areas of Prentiss Ave between Wilton Drive & Warrington Dr; and to Warrington Drive between Prentiss & Alan Toussaint Boulevard.

WHEN: *Thursday, May 30th, 2024, 8:30 a.m. – 12:30 p.m.*

WHERE: 1700 - 1900 Prentiss Ave. (between Wilton & Warrington)
5600 - 6000 Warrington Dr. (between Allen Toussaint & Prentiss)

If there is a complete loss of water, when water is restored, run your faucets for 5 minutes to flush out the lines before resuming regular use.

If water is not restored within one hour on April 16th residents will be contacted by RoadworkNOLA and Sewerage and Water Board of New Orleans via text messaging alert and/or community canvassing.

About the Project

This temporary disruption of services is part of the \$34 M St. Anthony Group A infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans. The project is focused on repaving the asphalt roadway from curb-to-curb, replacing damaged portions of concrete with new concrete, patching the roadway with asphalt, repairing damaged sidewalks and driveway aprons, installing ADA compliant curb ramps at intersections, and replacing/repairing damaged underground water, sewer and/or drainage lines.

Once complete, residents will experience an overall improved quality of life as the project will repair streets, driveways, sidewalks, and some utilities. The project is scheduled to be completed in late Summer of 2025.
