

Project Update: St. Anthony Group A
May 3rd, 2024

NOTICE OF WEEKEND WORK

The City of New Orleans construction contractor, RNDG Construction, will be on-site removing standing water from the newly poured roadbase this Saturday, May 4th, 2024 in an effort to remain on schedule.

WHEN: *Saturday, May 4th, 2023, 7 a.m. – 5:30 p.m.*

WHERE: 5000 - 6100 Wilton DR. (between Allen Toussiant & Rosary)
1900 – 1950 Rosary DR. (between Wilton & Wildair)
5000 - 6100 Wildair DR. (between Allen Toussiant & Prentiss)

During this time there will be large trucks and heavy equipment hauling materials in the area and removing water. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

About the Project

This weekend work is part of the **\$34 M St. Anthony Group A** infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans. The project is focused on repaving the asphalt roadway from curb-to-curb, replacing damaged portions of concrete with new concrete, patching the roadway with asphalt, repairing damaged sidewalks and driveway aprons, installing ADA compliant curb ramps at intersections, and replacing/repairing damaged underground water, sewer and/or drainage lines. The project is scheduled to be completed in late Summer of 2025.
