

Project Update: St. Roch Drainage Upgrades  
June 14, 2024

## NOTICE OF HOLIDAY WORK

The City of New Orleans construction contractor, Command Construction Industries Company, LLC, will be performing drainage work this Wednesday (City Holiday) in an effort to remain on schedule. Several crews will be working across the project area paving, and installing barrier curbs.

**WHEN:** *Wednesday, June 19<sup>th</sup>, 2024, 7 a.m. – 5:30 p.m.*

**WHERE:** 2200-2500 BLOCKS OF NORTH VILLERE ST (including across ST. ROCH AVE)  
1300-1400 MARIGNY ST  
1300-1400 MANDEVILLE ST  
1300-1400 SPAIN ST  
1300-1400 MUSIC ST  
1300-1400 ARTS ST

During this time there will be large trucks and heavy equipment hauling materials in the area. Public safety is our priority; residents and commuters are reminded to use caution when driving, bicycling and walking near the construction site.

### About the Project

This Holiday work is part of the **\$18.5 M St. Roch Drainage Upgrades** joint infrastructure project with the City of New Orleans' Department of Public Works and Sewerage and Water Board of New Orleans.

Once complete, residents will experience an overall improved quality of life as the project will improve subsurface drainage capacity between local streets and trunk lines and install green infrastructure such as retention/detention basins and bioswales. This work is part of the FEMA funded Hazard Mitigation Grant Program (HMGP)'s Leveraged Gray / Green Infrastructure projects and is scheduled to be completed in Fall 2023.
