

**Bayou St. John,
Fairgrounds, Seventh Ward
Group A
Pre-Construction
Community Meeting**

City of New Orleans

March 9, 2021

Agenda and House Rules

- **Introductions**

Benaiah Harvey, Community Liaison, Neighborhood Engagement Office

- **Bayou St. John, Fairgrounds, Seventh Ward Group A**

Anh Q. Nguyen, Project Manager, Department of Public Works

- **What To Expect During Construction**

Kim Turner, Community Outreach Specialist, RoadworkNOLA

- **Questions & Answers**

Benaiah Harvey

House Rules

- Allow one person to speak at a time.
- Questions about the project can be submitted via email to undefined benaiah.harvey@nola.gov and via text to 504-499-0842.
- Keep your comments concise and relevant.

SLEEVES UP, NOLA!

The COVID-19
vaccine is our shot to
get back to normal.

Visit ready.nola.gov for more information.

Safety Guidelines for Contractors During COVID-19

- Single point of entry into the jobsite and check-in/check-out of all workers.
- Temperature scan upon entry and anyone exhibiting signs of illness not allowed on site.
- Thorough daily cleaning of work areas. Wipe down of surfaces and frequently touched items.
- Handwashing stations provided with mandated proper handwashing at intervals throughout the day.
- No interactions with more than 10 people and maintaining at least 6 feet space between workers.
- Educational literature posted in multiple languages, along with daily training on appropriate conduct.
- Immediate reporting of any cases of known COVID-19.
- All progress meetings will continue as virtual meetings.

Capital Improvement Program Highlights

- **More than \$2.2B worth of combined DPW / SWBNO work**
 - Most comprehensive infrastructure program our region has seen in a generation.
 - More than **200** individual projects - every neighborhood will feel a positive impact.
 - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
 - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged

Types of CIP Construction

Full Reconstruction

Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

Patch Mill/Overlay

Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

Patch Concrete

Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

Types of CIP Construction

Incidental Road Repairs

Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

Non-Paving Incidentals

Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

Other Group Project

Street is in the design phase or is planned to be built in a future project.

Bayou St. John, Fairgrounds, Seventh Ward Group A Full-Depth Reconstruction

Construction: Fleming Construction Company, LLC

Timeline: Project will begin March 2021 and be completed in Summer 2022

Scope of work

- Repave the asphalt roadway from curb-to-curb;
- Patch the roadway with asphalt or concrete;
- Repair damaged sidewalks and driveway aprons;
- Install Americans with Disabilities Act-compliant curb ramps at intersection; and
- Replace / repair damaged underground water, sewer, and/or drainage lines.

Waterline Replacements or Repairs

- This project requires some water service disruptions.
- Notifications will be sent to residents 48-hours prior to full waterline closures and 24-hours notice will be given for waterline test closures (per Louisiana Department of Health guidelines).

Patch Mill / Overlay

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Sidewalks

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-regulations.

Americans with Disabilities Act-Compliant Curb Ramps

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Future Conditions

An example of a repaved area on the Filmore South Group A project.

Project Timeline

<u>Milestone</u>	<u>Date</u>
Construction Start	March 2021
Construction Complete	Summer 2022

* Please note that all schedules are subject to change and weather delays.

Archaeology and Historic Preservation

- **Project may involve archaeology**
- Site may include prehistoric and or colonial sites. If so, an archaeological monitor will be onsite where digging occurs, for example, subterranean utility work in archaeologically sensitive areas or near cemeteries.
- Email Archaeologist, Michael Godzinski at archaeology@nola.gov

- **Project may also involve historic preservation**
- Character Defining Features in National Register Historic Districts may include stone curbs, street name tiles, brick or stone sidewalks, brick gutter bottoms and two-track driveways to name a few.
- For a complete slideshow of Character Defining Features, visit <https://roadwork.nola.gov/historic-preservation/>
- Email Historic Preservation Specialist, Philip Gilmore at historicpres@nola.gov

What to Expect During Construction

Sequencing of this project will be communicated with residents upon finalization. There will be signage placed prominently to indicate road closures for vehicular, pedestrian and bike traffic. Impacts related to sequencing will be communicated to the community by the RoadworkNOLA office.

Temporary construction impacts

- Additional construction equipment –
 - **Staging for this project has yet to be determined.**
- Limited parking availability
- Sounds
- Dust

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 5:30 p.m.
Permission for occasional weekend work may be granted, if required.

Keeping You Informed Roadwork.nola.gov

The screenshot displays the Roadwork.nola.gov website. At the top, there's a navigation bar with social media icons, the 'ROADWORK' logo, and a search bar. A callout points to the search bar with the text 'Enter your address here'. Below the search bar, a map of New Orleans is shown with various colored overlays representing different roadwork projects. A callout points to the map with the text 'Choose to view pavement condition, planned work or roads under construction now'. To the left of the map, there's a 'Show Layer' panel with a legend. A callout points to the legend with the text 'Tell us what you think of the site or download the data'. Below the map, there's a detailed view of a specific project. A callout points to this section with the text 'Get block-by-block information about the work schedule, type of repairs and what to expect during construction'. The detailed view includes a table with project information.
