

**Bayou St John,
Fairgrounds,
Seventh Ward
Group D
Pre-Construction
Community Meeting**

City of New Orleans

March 4, 2021

Agenda and House Rules

- **Introductions**

Benaiah Harvey, Neighborhood Liaison, Mayor's Office of Neighborhood Engagement

- **Bayou St John, Fairgrounds, Seventh Ward Group D**

Mohanad Abdelfattah, Project Manager, Department of Public Works

- **What to expect during construction**

Nakeila Polk, Community Outreach Manager, RoadworkNOLA

- **Questions**

Benaiah Harvey

House Rules

- Allow one person to speak at a time.
- Questions about the project can be submitted via email to benaiah.harvey@nola.gov and via text to 504-499-0842.
- Keep your comments concise and relevant.

SLEEVES UP, NOLA!

The COVID-19
vaccine is our shot to
get back to normal.

Visit ready.nola.gov for more information.

Safety Guidelines for Contractors During COVID-19

- Single point of entry into the jobsite and check-in/check-out of all workers. Temperature scans should be administered as a part of check-in protocol.
- Thorough daily cleaning of work areas. Wipe down of surfaces and frequently touched items.
- Handwashing stations provided with mandated proper handwashing at intervals throughout the day.
- No interactions with more than 10 people and maintaining at least 6 feet space between workers.
- Educational literature posted in multiple languages, along with daily training on appropriate conduct.
- Immediate reporting of any cases of known COVID-19.
- All progress meetings will continue as virtual meetings.

Capital Improvement Program Highlights

- **More than \$2.2B worth of combined DPW / SWBNO work**
 - Most comprehensive infrastructure program our region has seen in a generation.
 - More than **200** individual projects - every neighborhood will feel a positive impact.
 - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
 - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged businesses (DBE).

Types of CIP Construction

Full Reconstruction

Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

Patch Mill/Overlay

Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

Patch Concrete

Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

Types of CIP Construction

Incidental Road Repairs

Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

Non-Paving Incidentals

Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

Other Group Project

Street is in the design phase or is planned to be built in a future project.

Bayou St John, Fairgrounds, Seventh Ward Group D Full Depth Reconstruction

- **Design:** Urban Systems Associates, Inc.
- **Construction:** Beverly Construction Company, LLC
- **Construction Cost:** Approximately \$2.1M Project
- **Timeline:** Project will begin March 2021 and be completed in summer 2022

Project Overview

Scope of work

- Replace damaged underground water, sewer and drainage lines;
- Repave the roadway;
- Replace damaged sidewalks and driveway aprons; and
- Install Americans with Disabilities Act-compliant curb ramps at intersections.

Waterline Replacements or Repairs

- This project requires some water service disruptions.
- Notifications will be sent to residents 48-hours prior to full waterline closures and 24-hours notice will be given for waterline test closures (per Louisiana Department of Health guidelines).

Patch Mill / Overlay

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Patch Concrete

- Replacing one or multiple damaged concrete panels in the roadway
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Sidewalks

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-regulations.

Americans with Disabilities Act-Compliant Curb Ramps

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Bayou St John, Fairgrounds, Seventh Ward Group D

Existing condition of the 100 block of Chalfant Place

Future Conditions

An example of a repaved area of N. Dorgenois St. from the recently completed Lower Ninth Ward Northeast Group A Project.

Project Timeline

<u>Milestone</u>	<u>Date</u>
Construction Start	March 2021
Construction Complete	Summer 2022

* Please note that all schedules are subject to change and weather delays.

Archaeology and Historic Preservation

- **Project may involve archaeology**

- Site may include prehistoric and or colonial sites. If so, an archaeological monitor will be onsite where digging occurs, for example, subterranean utility work in archaeologically sensitive areas or near cemeteries.
- Email Archaeologist, Michael Godzinski at archaeology@nola.gov

- **Project may also involve historic preservation**

- Character Defining Features in National Register Historic Districts may include stone curbs, street name tiles, brick or stone sidewalks, brick gutter bottoms and two-track driveways to name a few.
- For a complete slideshow of Character Defining Features, visit <https://roadwork.nola.gov/historic-preservation/>
- Email Historic Preservation Specialist, Philip Gilmore at historicpres@nola.gov

What to Expect During Construction

Sequencing of this project will be communicated with residents upon finalization. There will be signage placed prominently to indicate road closures for vehicular, pedestrian and bike traffic. Impacts related to sequencing will be communicated to the community by the RoadworkNOLA office.

Temporary construction impacts

- Additional construction equipment –
 - **Staging for this project has yet to be determined.**
- Limited parking availability
- Sounds
- Dust

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ If you notice any changes to your garbage and/or recycling, and US Postal services please contact our office.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 5:30 p.m.
Permission for occasional weekend work may be granted, if required.
