

Camp (Valmont – Jefferson), Chestnut/Coliseum (Valmont – Leontine), Leontine/Valmont (Mag-Prytania)

City of New Orleans

November 15, 2022

Agenda and House Rules

- **Introductions**

Kevin Kellup, District B Neighborhood Liaison, Office of Neighborhood Engagement

- **Camp (Valmont – Jefferson)**

Enrique Mendoza, Project Manager, Department of Public Works

- **What to Expect During Construction**

Christopher Lloyd, Community Outreach Manager, RoadworkNOLA

- **Questions**

Kevin Kellup

House Rules

- Allow one person to speak at a time.
- Questions about the project may be submitted via comment cards.
- Keep your comments concise and relevant.

SWBNO / DPW Joint Infrastructure Program Accomplishments

- December 2015: \$2B FEMA Settlement for Hurricane Katrina-related damage to roads and subsurface infrastructure
- May 7, 2018: 10 JIRR projects in construction
- Since May 7, 2018
 - ✓ 77 projects totaling **\$769M** have gone into construction
 - ✓ 116 projects have gone into final design, **totaling \$927M**
- Current Status with estimated values
 - ✓ **Construction:** 50 Projects, **\$615M**
 - ✓ **Bid & Award:** 33 Projects, **\$234M**
 - ✓ **Final Design:** 47 Projects, **\$527M**
 - ✓ **Completed:** 30 projects, **\$132M**

Camp (Valmont – Jefferson) – Project Overview

- **Design:** Stuart Consulting Group
- **Construction:** Palmisano Construction, LLC (Impetus)
- **Construction Cost:** Approximately \$12.9M
- **Timeline:** Project will begin Late November of 2022 and will be completed in Summer 2023

Sewer, Water and Drain line Replacements or Repairs

- There will be some service disruptions.
- Notifications will be sent to residents 48-hours prior to full waterline closures and 24-hours notice will be given for waterline test closures (per Louisiana Department of Health guidelines).

Sewer, Water and Drain line Replacements or Repairs

- If a lead service line on City of New Orleans right-of-way is exposed and subsequently replaced, it could cause problems such as leaks on your property. When this occurs Sewerage & Water Board of New Orleans provides information to help guide your private plumber to repair pipes on private property.

Sidewalks

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.

- New sidewalks and ramps will meet ADA-compliance regulations.

Americans with Disabilities Act-Compliant Curb Ramps

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Camp (Valmont - Jefferson) Project Timeline

<u>Milestone</u>	<u>Date</u>
Construction Start	Late November 2022
Construction Complete	Summer 2023

* Please note that all schedules are subject to change and weather delays.

Camp (Valmont – Jefferson) – Current Conditions

Existing conditions in the 1000 block of Valmont St

Future Conditions

An example of an asphalt paved street: Tremé Street in the Tremé-Lafitte Group B project.

Archaeology and Historic Preservation

Project may involve archaeology

- Site may include prehistoric and or colonial sites. If so, an archaeological monitor will be onsite where digging occurs, for example, subterranean utility work in archaeologically sensitive areas or near cemeteries.
- Email Archaeologist, Michael Godzinski at archaeology@nola.gov

Project may also involve historic preservation

- Character Defining Features in National Register Historic Districts may include stone curbs, street name tiles, brick or stone sidewalks, brick gutter bottoms and two-track driveways to name a few.
- For a complete slideshow of Character Defining Features, visit <https://roadwork.nola.gov/historic-preservation/>
- Email Historic Preservation Specialist, Philip Gilmore at historicpres@nola.gov

What to Expect During Construction

Sequencing of this project will be communicated with residents upon finalization. There will be signage placed prominently to indicate road closures for vehicular, pedestrian and bike traffic. Impacts related to sequencing will be communicated to the community by the RoadWork NOLA office.

Temporary construction impacts

- Additional construction equipment –
 - **Vehicles and materials will be stored in the Right-of-Way near active construction.**
- Limited parking availability
- Sounds
- Dust and debris
- Service disruptions during utility work

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 6:30 p.m.
Permission for occasional weekend work may be granted, if required.

Keeping You Informed Roadwork.nola.gov

The screenshot shows the Roadwork.nola.gov website interface. At the top, there's a header with the City of New Orleans logo and the site name. Below the header is a search bar with the placeholder text "Get Started Here! Enter an address to get block-to-block details on construction projects". A callout points to the search bar with the text "Enter your address here". To the left of the map is a "Show Layer" panel with options for "Pavement Condition", "Planned Road Construction", and "Roads Under Construction Now". A callout points to this panel with the text "Choose to view pavement condition, planned work or roads under construction now". Below the "Show Layer" panel is a "Legend" section listing various construction types: "Planned Road Construction", "Full Reconstruction", "Patch Mill/Overlay", "Patch Concrete", "Incidental Road Repairs", "Non-Paving Incidentals", "Streetscape", "Bridge Replacement", "Future Road Work", and "Pending". A callout points to the legend with the text "Choose to view pavement condition, planned work or roads under construction now". On the right side of the map, there's a callout with the text "Tell us what you think of the site or download the data". Below the map, there's a section titled "Get block-by-block information about the work schedule, type of repairs and what to expect during construction". This section includes a table for "6800 block of Vicksburg St" and "6800 block of Vicksburg St" with columns for "Project", "Schedule", "Work Status", "Street Repair Work", and "Water, Sewer, and/or Drainage Work". A callout points to this section with the text "Get block-by-block information about the work schedule, type of repairs and what to expect during construction". At the bottom right, there's a large white box with the text "CHECK OUT THE NEW FEATURES!" and a list of features: "mobile-friendly", "clean design", "improved functionality", and "enhanced content". Below this list is the website URL "roadwork.nola.gov".
