

# Hollygrove, Leonidas Group Pre-Construction Overview

---

City of New Orleans

March 26, 2020

# Agenda

---

- Introductions
- Project Overview - PowerPoint Presentation
- Q&A

# Capital Improvement Program Highlights

---

- **More than \$2.2B worth of combined DPW / SWBNO work**
  - Most comprehensive infrastructure program our region has seen in a generation.
  - More than **200** individual projects - every neighborhood will feel a positive impact.
  - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
  - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged

# Types of CIP Construction – What the Colors Represent

---

## Full Reconstruction

- Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

## Patch Mill/Overlay

- Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

## Patch Concrete

- Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

## Incidental Road Repairs

- Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

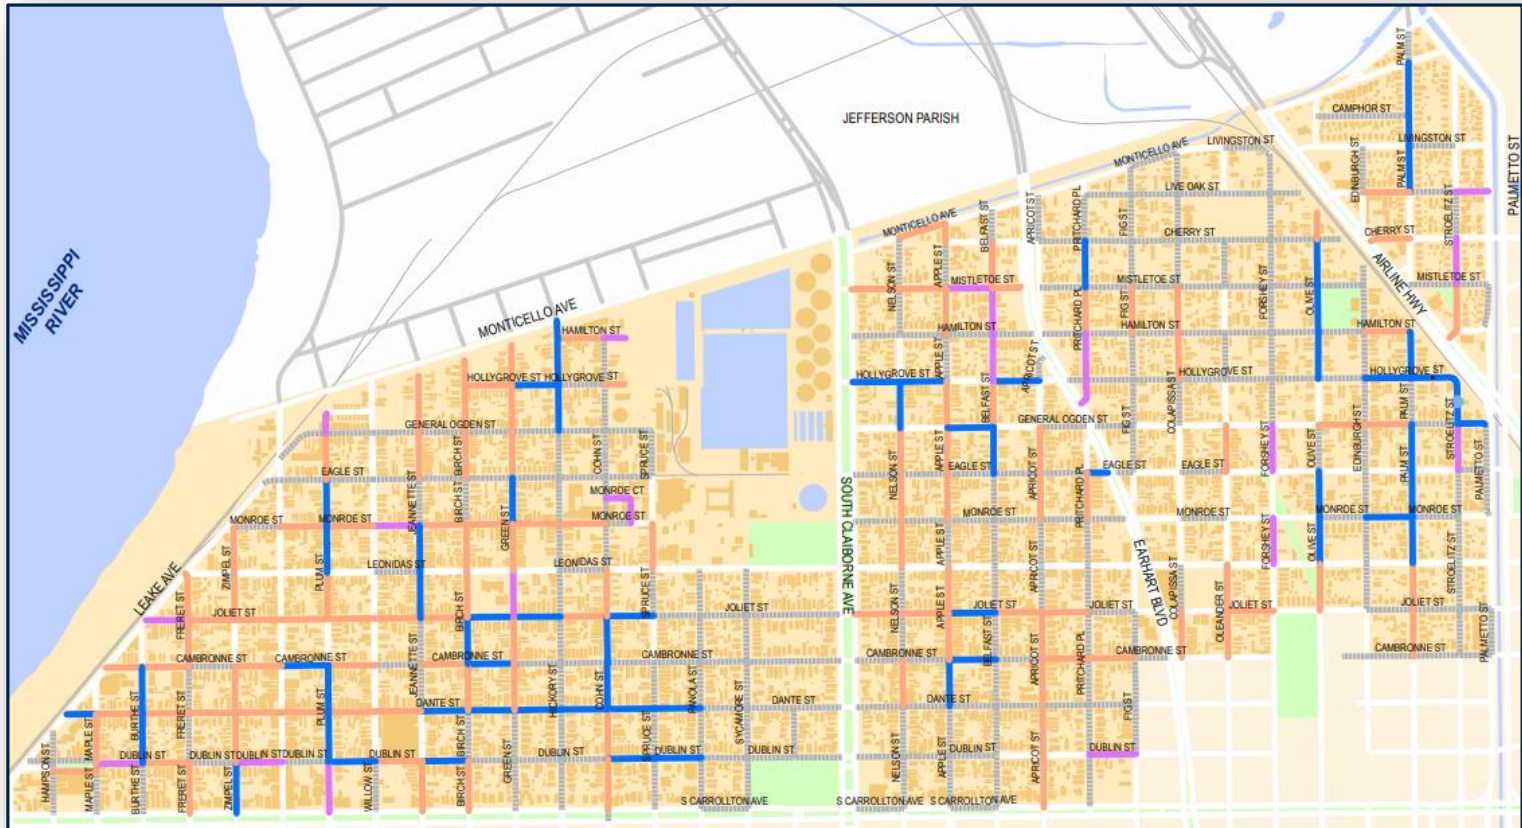

## Non-Paving Incidentals

- Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

## Other Group Project

- Street is in the design phase or is planned to be built in a future project.

# Hollygrove, Leonidas Group A

# Project Overview:

---

- **Design:** Waggoner Engineering Inc.
- **Construction:** Wallace C. Drennan Inc.
- **Construction Cost:** Approximately \$15.1 million
- **Timeline:** Project is scheduled to begin the first week of April 2020 and will be completed in spring 2021, weather permitting
- **Sequencing:** Sewer repairs will begin at Dublin and Hampson streets, then north along Dublin to Panola; a second crew will begin repairs at Joliet and streets, then north along Joliet to Cohn Street.

# Scope of work:

---

- Replacing/repairing damaged underground water, sewer and/or drainage lines;
- Repairing damaged curbs and gutters;
- Patching the roadway with asphalt;
- Replacing damaged sidewalks and driveway aprons; and
- Installing Americans with Disabilities Act (ADA) - compliant curb ramps at intersections.

# Waterline Replacements or Repairs

---

- **Minimal water service disruptions**
- **Notifications will be sent to residents 48-hours prior to any work that may cause water services disruptions**

# Sidewalks

---

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-compliance regulations.

*Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.*

# Project Timeline

---

<u>Milestone</u>	<u>Date</u>
Construction Start	April 2020
Construction Complete	Spring 2021

\* Please note that all schedules are subject to change and weather delays.

# What to Expect During Construction

---

## Temporary construction impacts

- Additional construction equipment
- Limited parking availability
- Sounds
- Dust

## Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday – Friday 7 a.m. to 5:30 p.m.  
Permission for occasional weekend work may be granted, if required.

# Keeping You Informed Roadwork.nola.gov

The screenshot shows the Roadwork.nola.gov website interface. At the top, there's a navigation bar with the City of New Orleans logo and the 'ROADWORK' title. Below this is a search bar with the placeholder text 'Get Started Here! Enter an address to get block-to-block details on construction projects'. A callout points to the search bar with the text 'Enter your address here'. To the left of the map is a 'Show Layer' section with a legend. A callout points to the legend with the text 'Choose to view pavement condition, planned work or roads under construction now'. On the right side of the map, there's a callout pointing to a search icon with the text 'Tell us what you think of the site or download the data'. Below the map, there's a detailed view of a specific block. A callout points to this detailed view with the text 'Get block-by-block information about the work schedule, type of repairs and what to expect during construction'. The detailed view includes a table with project information.
