

# Navarre Group A Pre-Construction Community Open House

---

City of New Orleans

January 30, 2020

# This Slide Show...

---

**IS LESS THAN 5  
MINUTES LONG**

**TELLS YOU ABOUT  
THE PROJECT**

**ORIENTS YOU TO  
THE OPEN HOUSE**

# Welcome To Our Community Open House

---

## **Station One**

Welcome! Please sign in and pick up some information about the Navarre Group A project. You can also find out more about the ROADWORK NOLA program here.

## **Station Two**

311 questions? Sewerage and Water Board inquiries? Any questions related to City services can be discussed here with The Mayor's Office of Neighborhood Engagement.

## **Station Three**

You're here! Watch this slide show for an overview of the project.

## **Station Four**

City project managers and contractors are here to address your project-specific questions.

# Capital Improvement Program Highlights

---

- **More than \$2.2B worth of combined DPW / SWBNO work**
  - Most comprehensive infrastructure program our region has seen in a generation.
  - More than **200** individual projects - every neighborhood will feel a positive impact.
  - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
  - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged

# Types of CIP Construction – What the Colors Represent

---

## Full Reconstruction

- Repair sewage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

## Patch Mill/Overlay

- Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

## Patch Concrete

- Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

## Incidental Road Repairs

- Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

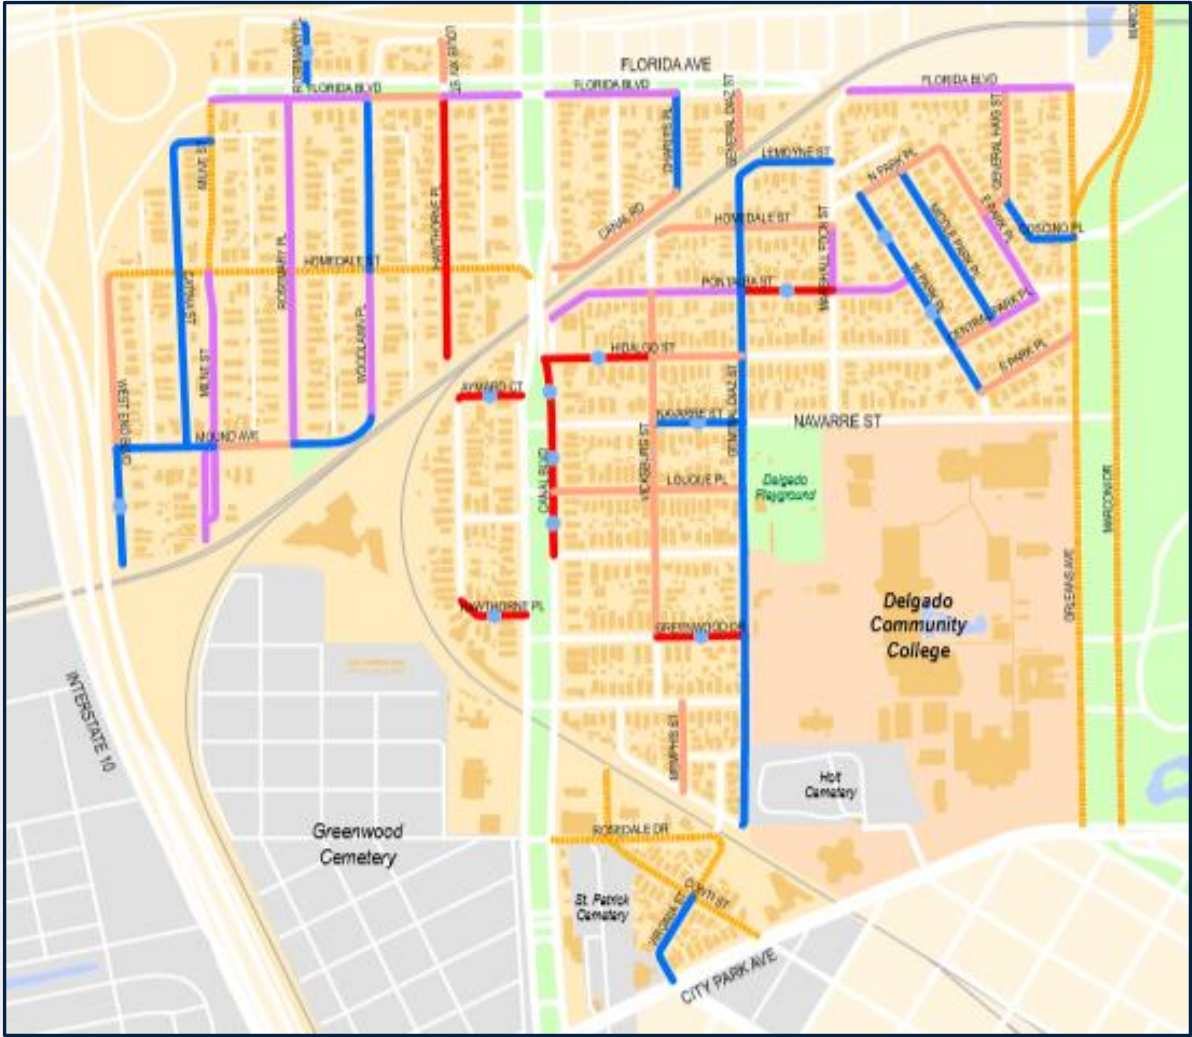

## Non-Paving Incidentals

- Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

## Other Group Project

- Street is in the design phase or is planned to be built in a future project.

# Navarre Group A

# Scope of work:

---

- Replacing damaged underground water, sewer and drainage lines;
- Repaving the asphalt roadway;
- Patching the roadway with asphalt or concrete;
- Repairing or replacing damaged sidewalks and driveway aprons; and
- Installing Americans with Disabilities Act-compliant curb ramps at intersections.

# Project Overview:

---

- **Design:** Phoenix Global Engineering and Construction
- **Construction:** Hard Rock Construction Co., LLC
- **Construction Cost:** Approximately \$7 million
- **Timeline:** Project will begin in February 2020 and will be completed in summer 2021

# Patch Mill / Overlay

---

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

# Waterline Replacements or Repairs

---

- Minimal water service disruptions
- Notifications will be sent to residents 48-hours prior to any work that may cause water services disruptions

# Sidewalks

---

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-compliance regulations.

*Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.*

# Project Timeline

---

<u>Milestone</u>	<u>Date</u>
Construction Start	February 2020
Construction Complete	Summer 2021

\* Please note that all schedules are subject to change and weather delays.

# What to Expect During Construction

---

## Temporary construction impacts

- Additional construction equipment
  - **Staging for this project will be under the I-610 overpass.**
- Limited parking availability
- Sounds
- Dust

## Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday – Friday 7 a.m. to 5:30 p.m.  
Permission for occasional weekend work may be granted, if required.

# Keeping You Informed Roadwork.nola.gov

**Enter your address here**

**Tell us what you think of the site or download the data**

**Choose to view pavement condition, planned work or roads under construction now**

**Get block-by-block information about the work schedule, type of repairs and what to expect during construction**

**6800 block of Vicksburg St**  
From Chalmette St to Mouton St in Lakeview, CA

**Pavement Condition**  
Failure

**Work Status**

Street Repair Work		Water, Sewer, and/or Drainage Work	
Project ID	Repair Type	Work Type	Drainage Line, Sewer Line, and Water Line Replacement
RR088	Full Reconstruction	Status	Planned

**PLEASE NOTE:** The content provided on roadwork.nola.gov is subject to change pending unforeseen site conditions, weather delays, constructability issues, etc.
