

# St. Claude Group C Community Teleconference

---

City of New Orleans  
April 8, 2020

# Construction During COVID-19

---

- **The construction industry has been deemed to be “essential” under both the City and State “Stay at Home” orders.**
- Businesses and projects related to construction, infrastructure, and maintenance may continue to operate, and employees may continue to commute to and from work.
- This includes all construction sites, both large and small, industrial, commercial, and residential.

# Safety Guidelines for Contractors During COVID-19

---

- Single point of entry into the jobsite and check-in/check-out of all workers.
- Temperature scan upon entry and anyone exhibiting signs of illness not allowed on site.
- Thorough daily cleaning of work areas. Wipe down of surfaces and frequently touched items.
- Handwashing stations provided with mandated proper handwashing at intervals throughout the day.
- No interactions with more than 10 people and maintaining at least 6 feet space between workers.
- Educational literature posted in multiple languages, along with daily training on appropriate conduct.
- Immediate reporting of any cases of known COVID-19.
- All progress meetings will continue as virtual meetings.

# Capital Improvement Program Highlights

---

- **More than \$2.3B worth of combined DPW / SWBNO work**
  - Most comprehensive infrastructure program our region has seen in a generation.
  - More than **200** individual projects — every neighborhood will feel a positive impact.
  - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
  - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged.

# Types of Capital Improvement Projects

---

## **Full Reconstruction**

Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

## **Patch Mill/Overlay**

Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

## **Patch Concrete**

Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

## **Incidental Road Repairs**

Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

## **Non-Paving Incidental**

Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

## **Other Group Project**

Street is in the design phase or is planned to be built in a future project.

# Project Overview

---

- **Design:** Rahman and Associates, Inc.
- **Construction:** Durr Heavy Construction, LLC
- **Construction Cost:** Approximately \$7.3M
- **Timeline:** Project will begin in March 2020 and be completed in spring 2021

# St. Claude Group C – Full Depth Reconstruction

# Scope of Work

---

- Replacing damaged underground water, sewer and drainage lines;
- Repaving the asphalt roadway;
- Patching the roadway with asphalt or concrete;
- Repairing or replacing damaged sidewalks and driveway aprons; and
- Installing Americans with Disabilities Act-compliant curb ramps at intersections.

# Patch Mill / Overlay

---

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

# Waterline Replacements or Repairs

---

- Minimal water service disruptions
- Notifications will be sent to residents 48-hours prior to any work that may cause water services disruptions

# Sidewalks

---

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-compliance regulations.

*Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.*

# Project Timeline

---

<u>Milestone</u>	<u>Date</u>
Construction Start	March 2020
Construction Complete	Spring 2021

\* Please note that all schedules are subject to change and weather delays.

# What To Expect During Construction

---

## Temporary construction impacts

- Additional construction equipment
- Limited parking availability
- Sounds
- Dust

## Efforts to minimize construction impacts

- ✓ Construction signage is placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.
- ✓ Regular work hours are Monday – Friday, 7 a.m. to 5:30 p.m. Permission for occasional weekend work may be granted, if required.
