

Village De L'Est Group C Pre-Construction Community Meeting

City of New Orleans

July 20, 2020

Agenda and House Rules

Village De L'Est Group C

- **Introductions**

Yvonne Martin, Neighborhood Liaison, Neighborhood Engagement Office

- **Village De L'Est Group C**

Brian Fontaine, Project Manager, Department of Public Works

- **What to expect during construction**

Sarah McLaughlin Porteous, Director, Special Projects & Strategic Engagement Office Capital Improvement Program “RoadworkNOLA”

- **Questions**

Yvonne Martin

House Rules

- Allow one person to speak at a time.
- Questions about the project can be submitted via email to ymartin@nola.gov and via text to 504-384-8055.
- Keep your comments concise and relevant.

Safety Guidelines for Contractors During COVID-19

- Single point of entry into the jobsite and check-in/check-out of all workers.
- Temperature scan upon entry and anyone exhibiting signs of illness not allowed on site.
- Thorough daily cleaning of work areas. Wipe down of surfaces and frequently touched items.
- Handwashing stations provided with mandated proper handwashing at intervals throughout the day.
- No interactions with more than 10 people and maintaining at least 6 feet space between workers.
- Educational literature posted in multiple languages, along with daily training on appropriate conduct.
- Immediate reporting of any cases of known COVID-19.
- All progress meetings will continue as virtual meetings.

Capital Improvement Program Highlights

- **More than \$2.3B worth of combined DPW / SWBNO work**
 - Most comprehensive infrastructure program our region has seen in a generation.
 - More than **200** individual projects - every neighborhood will feel a positive impact.
 - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
 - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged

Types of CIP Construction

Full Reconstruction

Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

Patch Mill/Overlay

Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

Patch Concrete

Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

Types of CIP Construction

Incidental Road Repairs

Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

Non-Paving Incidentals

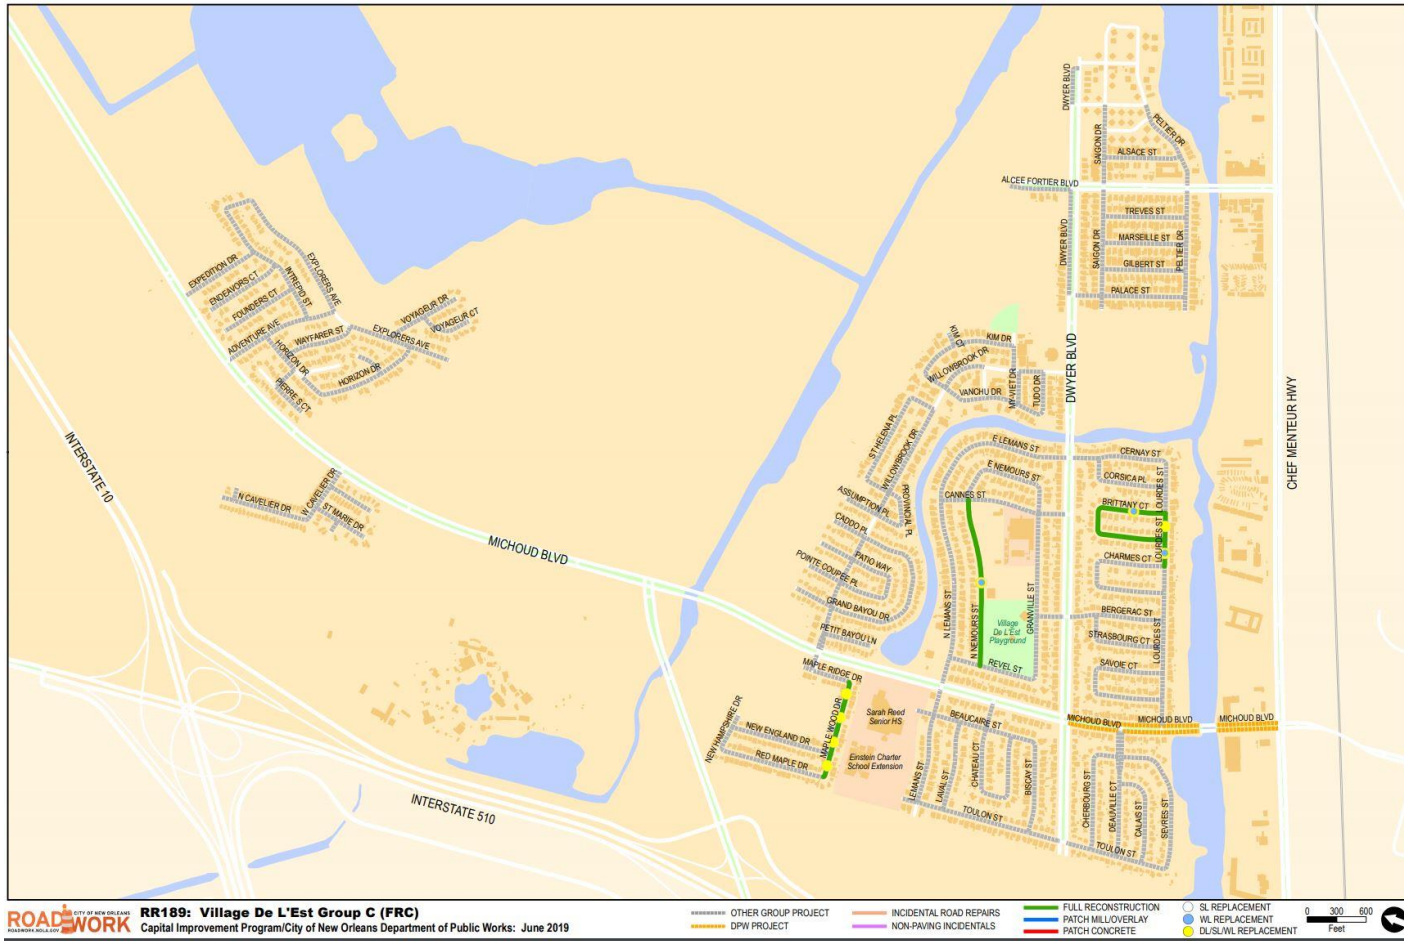

Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

Other Group Project

Street is in the design phase or is planned to be built in a future project.

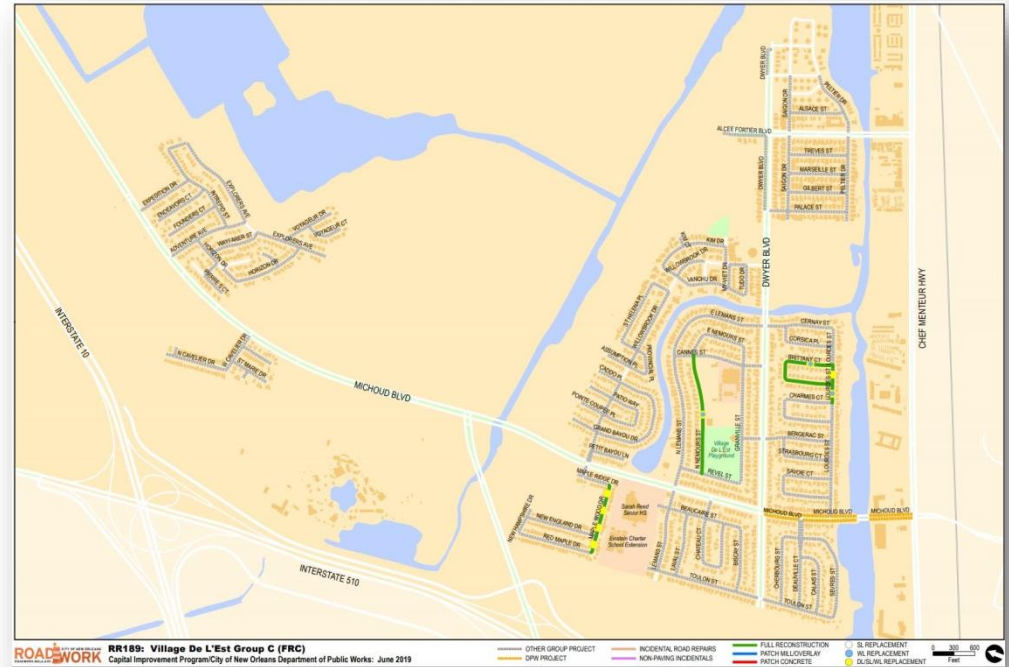

Village De L'Est Group C

Full Depth Reconstruction

Project Overview

- **Design:** Hartman Engineering, Inc.
- **Construction:** Durr Heavy Construction
- **Construction Cost:** Approximately \$6.8 Million Project
- **Timeline:** Project will begin August 2020 and be completed in summer 2021

Scope of work

- Replace damaged underground water, sewer and drainage lines;
- Repave the roadway;
- Replace damaged sidewalks and driveway aprons; and
- Install Americans with Disabilities Act-compliant curb ramps at intersections.

Waterline Replacements or Repairs

- Minimal water service disruptions
- Notifications will be sent to residents 48-hours prior to any work that may cause water services disruptions

Patch Mill / Overlay

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Patch Concrete

- Replacing one or multiple damaged concrete panels in the roadway
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Sidewalks

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-regulations.

Americans with Disabilities Act-Compliant Curb Ramps

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Village De L'Est Group C

Existing conditions on Maple Wood Drive.

Future Conditions

An example of newly paved block on the Village De L'Est Group B project.

Project Timeline

| <u>Milestone</u> | <u>Date</u> |
|-----------------------|-------------|
| Construction Start | August 2020 |
| Construction Complete | Summer 2021 |

* Please note that all schedules are subject to change and weather delays.

What to Expect During Construction

Sequencing of this project will be communicated with residents upon finalization. There will be signage placed prominently to indicate road closures for vehicular, pedestrian and bike traffic. Impacts related to sequencing will be communicated to the community by the RoadworkNOLA office.

Temporary construction impacts

- Additional construction equipment –
 - **Staging for this project has yet to be determined.**
- Limited parking availability
- Sounds
- Dust

Efforts to minimize construction impacts

- ✓ Construction signage placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.

Regular work hours are Monday-Friday 7 a.m. to 5:30 p.m.
Permission for occasional weekend work may be granted, if required.

Keeping You Informed Roadwork.nola.gov

The screenshot shows the Roadwork.nola.gov website interface. At the top, there's a navigation bar with social media icons, the site logo, and an 'About RoadWork' link. Below this is a search bar with the placeholder text 'Get Started Here! Enter an address to get block-to-block details on construction projects'. A callout points to the search bar with the text 'Enter your address here'. To the left of the map is a 'Show Layer' panel with options for 'Pavement Condition', 'Planned Road Construction' (selected), and 'Roads Under Construction Now'. Below this is a 'Legend' panel with a list of construction types and their corresponding colors. A callout points to the legend with the text 'Choose to view pavement condition, planned work or roads under construction now'. The main map area shows a street grid with colored overlays indicating construction projects. A callout points to the map with the text 'Tell us what you think of the site or download the data'. At the bottom, there's a detailed view of a specific project on Vicksburg St. A callout points to this section with the text 'Get block-by-block information about the work schedule, type of repairs and what to expect during construction'. The detailed view includes a table with project information.
