

West Bank Group B Pre-Construction Community Open House

City of New Orleans

March 10, 2020

This Slide Show...

**IS LESS THAN 5
MINUTES LONG**

**TELLS YOU ABOUT
THE PROJECT**

**ORIENTS YOU TO
THE OPEN HOUSE**

Welcome To Our Community Open House

Station One

Welcome! Please sign in and pick up some information about the West Bank Group B roadwork project. You can also find out more about the RoadworkNOLA program here.

Station Two

311 questions? Sewerage and Water Board inquiries? Any questions related to City services can be discussed here with The Mayor's Office of Neighborhood Engagement.

Station Three

You're here! Watch this slide show for an overview of the project.

Station Four

City project managers and contractors are here to address your project-specific questions.

Capital Improvement Program Highlights

- **More than \$2.2B worth of combined DPW / SWBNO work**
 - Most comprehensive infrastructure program our region has seen in a generation.
 - More than **200** individual projects — every neighborhood will feel a positive impact.
 - **Multiple Funding Sources:** FEMA-funded road / waterline work, FEMA-funded Hazard Mitigation Grant Program (HMGP) projects, HUD-funded National Disaster Resiliency Competition (NDRC) grant projects, SWB-funded Sewer System Evaluation and Rehabilitation Program (SSERP) (sewer consent decree) work and City-funded bond project work.
 - Work will create **thousands** of construction jobs across the city and maximize economic opportunity for the City's small and disadvantaged.

Types of CIP Construction — What the Colors Represent

Full Reconstruction

- Repair sewerage, water, and drainage lines, rebuild the street entirely, and repair sidewalks and curbs.

Patch Mill/Overlay

- Repave the asphalt roadway from curb to curb and repair damaged sidewalks.

Patch Concrete

- Remove damaged portions of the concrete roadway and replace it with new smooth concrete pavement and repair damaged sidewalks.

Incidental Road Repairs

- Remove damaged portions of the asphalt roadway and replace it with new smooth pavement.

Non-Paving Incidental

- Repair damaged sidewalks, driveway aprons and curbs within the public right-of-way.

Other Group Project

- Street is in the design phase or is planned to be built in a future project.

West Bank Group B

Scope of Work

- Replacing damaged underground water, sewer and drainage lines;
- Repaving the asphalt roadway;
- Patching the roadway with asphalt or concrete;
- Repairing or replacing damaged sidewalks and driveway aprons; and
- Installing Americans with Disabilities Act-compliant curb ramps at intersections.

Project Overview

- **Design:** Buchart Horn, Inc.
- **Construction:** Fleming Construction Company, LLC
- **Construction Cost:** Approximately \$7 million
- **Timeline:** Project will begin in March 2020 and be completed in Spring 2021

Patch Mill / Overlay

- Roadway will be re-surfaced with asphalt
- Repairs may be made to some damaged curbs, sidewalks and driveway aprons

Waterline Replacements or Repairs

- Minimal water service disruptions
- Notifications will be sent to residents 48-hours prior to any work that may cause water services disruptions

Sidewalks

- Sidewalk panels adjacent to Americans with Disabilities Act (ADA)-compliant ramps will be replaced with new sidewalks.
- New sidewalks and ramps will meet ADA-compliance regulations.

Americans with Disabilities Act (ADA)-compliant curb ramps at sidewalk corners ensure accessibility for people who are visually or physically impaired, using wheelchairs or strollers.

Project Timeline

<u>Milestone</u>	<u>Date</u>
Construction Start	March 2020
Construction Complete	Spring 2021

* Please note that all schedules are subject to change and weather delays.

What To Expect During Construction

Temporary construction impacts

- Additional construction equipment
- Limited parking availability
- Sounds
- Dust

Efforts to minimize construction impacts

- ✓ Construction signage is placed around the sites.
- ✓ Any temporary closures will be communicated in advance.
- ✓ Construction equipment will not be staged in areas that prohibit residential access and parking.
- ✓ Any changes to garbage and US Postal services will be communicated in advance.
- ✓ Residents will be informed throughout construction.
- ✓ Regular work hours are Monday – Friday, 7 a.m. to 5:30 p.m. Permission for occasional weekend work may be granted, if required.
